

Celbridge Community School

12th March 2020

Dear Parent / Guardian,

As you will be aware, an announcement was made this morning by the Taoiseach Leo Varadkar TD of the closure of schools, pre-schools and further and higher education settings, for a period until 29 March 2020, to support efforts to contain the spread of Covid-19. This will take effect from 6pm this evening, Thursday 12 March and is in line with the advice of the National Public Health Emergency Team.

Celbridge Community School will therefore be closed to students/learners during the period of closure.

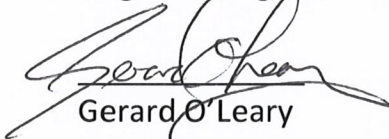

In order to minimise the impact on teaching and learning, our teachers will continue to plan lessons and provide online resources or online lessons for students through our online VLE '**Schoology**'. Students will also be required to submit evidence of their engagement in this work by completing specified tasks and/or submitting evidence of learning online on Schoology throughout this period, as directed by their teacher.

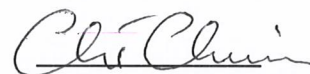

Please note that all students can access their schoology account on their iPad, desktop or laptop computer through the following web address:

<https://celbridgecs.schoology.com/home>

We hope that your son/daughter's continued engagement with their teachers and their assigned learning via Schoology will ensure that minimal disruption will be caused by this closure and look forward to welcoming all students back to school on Monday, 30th March 2020.

Le gach dea-ghuí,

Gerard O'Leary
Principal

Caoimhe Ní Chuinn
Deputy Principal

Moortown, Maynooth Road,
Celbridge, Co. Kildare
